ENERGY-EFFICIENT FLOODLIGHT RANGE FOR INDUSTRIAL & OUTDOOR USE

From compact tasks to large-scale coverage, the EcoStar range delivers bright, low-heat illumination with rugged, weatherproof builds. Ideal for replacing halogen lights across varied work environments.

- Robust aluminium casing with high performance heat sink
- Can operate on power sources between 85V-265V AC 50-60Hz
- Low heat emission = with no cool down required before storage
- Designed for industrial applications
- Toughened glass lens

Optional
Scaffold bracket
