

## RECHARGEABLE HEAD TORCH WITH RGB MODES & WAVE SENSOR

Offers powerful white spot and flood beams alongside red, green, and blue light mode. Ideal for inspection, outdoor use, and hands free control in low-light environments.

- RGB light modes: red, green, and blue for signalling, safety, or night vision
- Wave ON/OFF sensor for hands free control of both beams
- Red flashing mode for emergency visibility
- Durable aircraft-grade aluminium housing for tough environments
- Lightweight, non-slip adjustable head straps for secure comfort
- Removable battery with USB-C charging and up to 8 hours runtime
