FLEXIBLE SAFETY LIGHTING FOR WORK SITES, PATHWAYS & EMERGENCY ZONES

With 1000 lumens per metre and a rugged plug and play design, the Rope Light Range delivers reliable, IP65 rated lighting for indoor and outdoor safety across paths, work zones, and exits.

- 1,000 lumens per metre (15,000 to 50,000)
- High visibility and suitable for indoor or outdoor use
- Enclosed in a flexible plastic sheath
- Linkable: Up to 50m
- Ideal for stairwells, dark pathways and outdoor events
- Highly portable, link multiple lights together
