

Galaxy 1500R

Rechargeable LED Work Lights With Folding Case For Impact Protection

The Galaxy 1500R is a versatile lightweight portable work light, that has been designed for use on work sites where a power source is not readily available. The light has a robust housing to protect the lights when being transported or stored. The Galaxy 1500R easily folds out to a floor standing A-frame, giving multi-directional light.

Protective folding case design

USB Power bank facility to charge your phone/tablet
